

Sinclair Broadcasting's decision to air Stolen Honor should be followed by "Fahrenheit 911" or "Going Upriver". If biased programming is to be shown, equal time by both parties should be allowed. If the time is not allowed, then to me the Federal Law pertaining to allowing equal time for both candidates has been violated.

Why are you permitting Sinclair Broadcasting to air this program without demanding that they show an equally "anti-Bush" program at the same time??

I expect more from the FCC. Thank you.
